## **Mega Winner Michele Wins \$872,889 on Major Millions!!**

"My husband, Paul and I jumped out of our seats and started screaming like little kids! "

*Michele S, Employee Services Representative, won an enormous \$872,889.09 jackpot on Major Millions on October 13th, 2002 at [Lucky Nugget](#).*

### **What a HUGE jackpot! What happened when you won?**

On Saturday evening, October 12, 2002, my husband and I sat down to play at Lucky Nugget Online Casino. We played a few different games for a while and then we decided to try our luck at Major Millions. It was just after midnight now, early Sunday morning, October 13. After a few pulls, I was getting discouraged and was going to change machines when my husband talked me into still playing on the Major Millions machine. I am SO thankful I did.

When we were just about out of money and ready to retire, the first Major Million symbol hit on the 3rd line, then the 2nd, we both watched in anticipation - then BOOM the third one hit and the sirens went off flashing 'you have just won the progressive jackpot'!

We jumped out of our seats and started screaming like little kids! We couldn't believe our eyes! At first we started jumping around the room, hugging each other and screaming and when the initial shock was over, we just stared at the computer over and over again not believing what we saw, but it was true, we won \$872,884.09! We took out our camcorder to record the moment on film.

We called my husband's brother and my sister and had them come right over to share the excitement with us! Now all 4 of us were hugging and screaming.....we were ecstatic!

### **What are you going to do with all that cash?**

We plan to buy our first home (since now we rent) and 2 new cars and of course help our families. Specifically, we are going to help my husband's brother and my sister purchase their first home as well (they also rent currently)!

### **You are SO lucky! What do you do for good luck?**

Nothing, just hope for the best.

### **Any special advice for your fellow Jackpot Madness players?**

Just be optimistic! For all you players out there that don't think something like this could ever happen to you, think again! We were the same way, we were really doubting if big payouts ever even happened, but now we are living proof that they do - and the feeling is unbelievable!

### **What is your dream holiday destination?**

A Hawaiian vacation.

### **What else would you like to share with us, Michele?**

I am 32 years old, happily married, no kids yet. Winning this jackpot will provide our family with financial security.

## **Brad Wins LotsaLoot Bringing Total to \$861,737.68 SO FAR!!**

"I have been SO lucky! To have won another big jackpot within a couple of weeks of THE BIG ONE was such an exhilarating feeling!!"

Brad S, Financial Consultant, won ANOTHER big jackpot of \$46,392.69 on LotsaLoot on September 6th, 2002 at [Golden Riviera](#). This is to add to: his enormous \$739,794.33 jackpot on Major Millions on August 25th, 2002 at [Vegas Villa](#), his \$11,290.67 win on Fruit Fiesta on August 21 and his \$48,350.30 jackpot on LotsaLoot on July 1st, both at [Crazy Vegas](#) AND his \$15,909.69 jackpot on Cash Splash at [Golden Riviera](#) on March 9th, 2002.

[Please Click Here to Read Brad's First, Second and Third Interviews](#)

**Brad! TELL US YOUR SECRET! I am sure everyone is just dying to know how you keep on winning all those jackpots? You said last time you were going to 'conquer' Treasure Nile next. What made you go back to win LotsaLoot again?**

I have been so fortunate! To have won another progressive within a couple weeks of 'THE BIG ONE' was such an exhilarating feeling! I know I said I was going to try to win Treasure Nile next, but the Lotsaloot jackpot in the \$40's just jumped out at me and said 'Try to get me!' . . . and I did!

Ironically, my brother, who finally decided he should try to mimic some of the success of his little brother at Jackpot Madness, was apparently playing Lotsaloot at the time I won and saw the screen flash 'The Jackpot Has Been Won' and wondered if I might have been the winner.... I was!

**You have so far won on Major Millions, Fruit Fiesta and Cash Splash as well as 2x on LotsaLoot. Will you try for all of the Jackpot Madness jackpots?**

What next? I'll just keep trying. I've probably gotten a little spoiled - but you never know when that lucky combination will hit! I'm fond of all the Jackpot Madness games, but am particularly fond of Major Millions (for obvious reasons)

**Any parting words of wisdom for your fellow players?**

The secret to creating wealth is to start by not losing. . .

## \$389,843.85 BIGGEST JACKPOT EVER WON ONLINE!

"I came home after having a few drinks with friends, and downloaded my email informing me that the Treasure Nile jackpot was quite high. I played about an hour and a half, decided to call it quits, and then I WON!"

*Olivier C, European software engineer, won the BIGGEST JACKPOT EVER WON ONLINE...an ENORMOUS \$389,843.85 jackpot playing Treasure Nile at [Lucky Nugget Casino](#) on August 4th, 2001. This is to add to his \$52,956.77 win on Fruit Fiesta in May for a GRAND TOTAL of **\$442,800.62!***

[Please click here to read Olivier's first interview](#)

### **What was your reaction when you realized you had won \$389,843.85, the largest jackpot EVER won on the Internet? Tell us your story!**

Just ask my cat! I jumped from my chair, danced around the room and scared the wits out of Gizmo, my white Persian cat. Although it was 3 AM, I woke my mother who lives nearby. Then I showed my mother the winning screen. She didn't have her glasses, so she didn't realize the enormity of the win until I translated the dollar amount into the local currency. She was amazed! We celebrated by toasting with an 18-year-old bottle of Glenlivet whiskey!

### **What an amazingly lucky guy! What do you do for good luck? Do you have a special strategy?**

I have a guardian angel. Also, I have a very long line here on my left hand. You can't have a real strategy. Sometimes it's a feeling... sometimes it's just pure luck.

### **So, how will you spend it all?**

First of all, I ordered a dark blue Audi SC6 Ming. For Christmas this year, I plan to give my mother some money to help pay for a house she has chosen to purchase. A money gift is also in store for my older sister. As far as my friends, I plan to throw many, many parties!

### **Do you have any special interests or hobbies?**

I am an avid outdoor sportsman, and I enjoy paragliding and skiing. Of course, I enjoy playing online, especially slots, poker, BlackJack and Red Dog.

### **What else would you like to share with us?**

I have yet to meet the woman I would like to marry. The main thing I am looking for is someone whom I can respect and who respects me. If she is beautiful, that's alright too!

### **What do you like about Jackpot Madness?**

You feel like you are in a real casino. They make the slot machine on the progressives look so real! You feel like you can touch the slot machine. It's fun!

## Lasse Won an Incredible \$357,089.04 on the NEW Cyberstud Poker!

"This amazingly big jackpot will definitely change much in my life! With all this money you might say that I can do almost whatever I want... The first thing I am going to do is to buy myself the car of my dreams!!"

### **What was your reaction to winning such a massive amount of money and being the first winner?**

I was completely shocked! I didn't know what to do there and then. I called a friend of mine and asked him to come to my place and confirm what I saw on my computer. He was almost as shocked as me...

### **What are your plans for your winnings?**

With all this money, you might say that I can do almost whatever I want... The first thing I am going to do is to buy myself the car of my dreams. That's an Audi RS2. Second, I am going to travel to the USA for a trip in a fighter jet. That will be for approximately \$13.000, and then I will of course pay all my debts, although that isn't much. I will also invest some money and of course build or buy myself a house... And I will use some of my money for more gambling.

### **How did you get to be so lucky?**

I don't do anything special for good luck, it seems that I am born lucky! And I don't complain.... Perhaps that is what brings the good luck??

### **Do you have any special advice for your fellow players?**

I live day by day, and it seems to be the best way to live. Although now I have to plan ahead a bit considering all the money I won... And it's better to be rich and well than poor and sick....

### **What is your dream holiday destination?**

That would be to spend a holiday on a cruise ship for a week, followed with a week in Las Vegas!

## **New Car, Vacation and a New Business!**

"With the help of the jackpot money, I now have the chance of really choosing a job I want or starting a new business, rather than taking the next offer in order to feed my family! The timing could not have been better!!"

*Markus W, salesman, won a \$133,590.22 jackpot on Treasure Nile at [Captain Cook's](#) on March 6th, 2002.*

### **What was your reaction to winning such a huge jackpot?**

I moved back from the keyboard and stared at the display. After 10 seconds I called my wife and pointed to the screen. She read the jackpot message and said: 'Come on, you are kidding!' - I shook my head. 'Is it points or money?' - 'Money. US Dollars!' - Silence. Even more silence. 'Ok, good work. Lunch is ready. Stop playing!'

### **What are your plans for your winnings?**

Currently my family needs a new family car. My wife and I have a 6 month old daughter. Now, we will buy a nice car for \$30,000. The remaining 100k will be invested for future business. (I think about founding a new company.) We also plan on taking a nice vacation next year. Now, we can afford to plan the holiday of our dreams!

### **What do you do for good luck?**

I play. Without participation there can't be luck. It's that simple. No voodoo, no dolls. Just play!

### **Do you have any advice for your fellow Jackpot Madness players?**

The MOST important of all strategies in our world is: Never give up! Even if you look at the top managers of world wide companies, you will find they only "cook with water" as we say in German. The reason that somebody is successful is not only skill and talent. The key is to try again and again. If you fail, stand up and fight again. The author Bert Brecht said: "Those who fight may lose. Those who do not fight, already lost." (Translated from German, of course.)

### **Do you have any special hobbies?**

Playing Magic - The Gathering.

### **Is there anything else you would like to share with your fellow progressives fans?**

I am married (for the second time) and we have a 6 month old daughter. I am 34 years old and I was forced to close my computer business last month. Now I am looking for a new job. With the help of the jackpot money I know have the chance of really choosing a job rather than taking the next offer in order to feed my family! The timing could not have been better.

## Marka Wins FOUR Times Totaling \$141,576.96!!

" I have done really well on the Jackpot Madness progressives! I used to frequent the casinos in Colorado and Vegas, but I never won nearly as much. Now I hardly ever go to a casino - it's so much more comfortable and PROFITABLE for me to play at home!"

Marka H, Accountant and Grandmother, won a HUGE \$87,642.23 on SupaJax at [The Gaming Club](#) on March 14th, 2002. This is to add to her previous three wins: \$6,703.80 on SupaJax at [Jackpot City](#) on January 23, 2002, \$29,966.81 on SupaJax at [The River Belle](#) on November 4th, 2001, and \$17,264.12 on Fruit Fiesta on August 23rd, 2001 at The Gaming Club .

[Please Click Here to Read Marka's First and Second Interviews](#)

**Remember after winning \$29,967 back in November on SupaJax, you told us you were going to buy a fifth wheel camping trailer? Did you buy it? What else did you do with your winnings?**

Yes, we bought a beautiful 35' camper; paid off some bills and had a great Christmas!

**Well, you have won SupaJax 3 times and Fruit Fiesta once: which one will you go for next? Are you going to try one of the new progressives? What is your strategy ?**

I seem to be luckiest at Supajax so I'll play that mostly; but I do like the new games and I play a little of everything. Strategy? I simply play a lot!

**What was your first reaction when you realized that you had won again? How was it different from the first three times?**

I was especially thrilled with the size of this jackpot. It's so much larger than anything I ever hit before, that it was just kind of unbelievable!

**Do you have any plans for your winnings this time? What are they? Will you take that trip to Hawaii?**

This time we'll pay off all our bills and we need a new car. Hopefully, we'll save a big chunk. We've already planned a 9 day trip to Hawaii for October, for our anniversary!

**As a VIP Jackpot Madness winner, what advice would you give other players?**

Don't give up! If I can hit a big one, anybody can!
